

10.5.19

Another fun-filled week in EYFS! We came back on Tuesday to find that our ladybird eggs -that we found on a leaf in the secret garden- had hatched into larvae. This was fantastic as we had been learning all about the stages of a ladybird's life cycle!

Mrs Podgers has been carefully looking after our collection of minibeasts and more excitement occurred on Thursday when 'Tim' our spider shed his exoskeleton!!!

We have been recapping 'ear' and 'air' this week (any extra recapping at home would be very welcome!) and we have been learning about what a double is. We also have looked at sharing problems.

We had a talk from NSPCC on Thursday in assembly which was all about keeping ourselves safe and letting adults know when there is a problem.

We hope you have a great weekend – happy minibeast hunting!

Mrs Roddy and EYFS team

Reminders

Please remember books on a Monday – don't hesitate to ask us for a new book if your child has finished theirs before Friday!

DATES FOR YOUR DIARY

Saturday 11th May

Please support the FOLs market stall in Uppingham Market Square during the morning. There will be cakes and a raffle!

Mon 20th-Fri 24th

Creative week – the school is celebrating our 50th year and each class has chosen a different decade – I have chosen the 90s for us!!! We will be fully immersed in 90s pop music, fashion and fun. On Friday parents are invited in for the assembly at 2:45pm and children are invited to dress as their decade...bring on the double denim!!!
