

22.3.19

We ended our week last week with our amazing Grandparents afternoon. It was lovely to see so many grandparents in our classroom sharing the children's learning with them.

It's been another busy week in Reception and we have been learning so much about animals and their babies. We have been talking about mammals and the fact that they gave birth to live young. We found out some interesting facts about Duck-Billed Platypus – mammals who lay eggs!

We have enjoyed using Numberblocks to learn about 11 and 12 this week. We have started to write more now and are encouraging story writing so anything that they do at home it would be fantastic to see!

Our week ended with another fantastic school trip to Brooksby College Farm. We met Farmers Rose and Carol who showed us the farm, we saw lots of lambs, calves and piglets. We even saw a lamb that had just been born, being cleaned by its mum. The children were so well behaved and answered the farmer's questions very well!

Hope you all have a fantastic weekend. Mrs Roddy and EYFS team

Reminders

Thank you for all the baby photos and family trees they are looking great on our display.

DATES FOR YOUR DIARY

Thursday 28th March

Class photos

Friday 5th April
