

## Reminders

---

For Autism Awareness Week the children have been asked to dress in their favourite colour and bring in a donation of £1 for the National Autistic Society

---

## 29.3.19

Another busy week! We have continued to look at animals and their babies. We have read a story about dolphins and their babies and discussed the life cycle of a butterfly.

We have made the most of the beautiful weather and moved some of our learning outside. We even had two sessions in our outdoor classroom (secret garden) where we found that our pond is full of newts and that ladybirds are everywhere to be seen! We also did a lot of weeding and marveled at the huge tap roots!

We have been learning about the numbers 13, 14 and 15. We know that 13 is one ten and three more. The children have loved watching the Numberblocks episodes for each number which really reinforces this learning.

We have learnt our last two sounds in Phase 3 this week – ‘ure’ and ‘air’- these are particularly tricky so any recapping at home would be very helpful. Please note that the Easter Assembly is Friday 12<sup>th</sup> April at 9:30am.

Hope you all have a fantastic weekend. Mrs Roddy and EYFS team

## DATES FOR YOUR DIARY

Monday 1<sup>st</sup> April

**Dress in your favourite colour for the start of Autism Awareness Week**

**Please bring £1 which will go to the National Autistic Society**

FOLS Easter Egg Raffle
