

## Sports Funding 2020-2021

Sports Funding for schools is a continuing initiative which was introduced by the central government in 2013. It is an additional monetary allocation to the main school budget.

The Department for Education suggest schools consider using this funding for:

- hiring specialist P.E. teachers or qualified sports coaches to work with primary teachers when teaching P.E.
- paying for, and providing cover for, professional development opportunities for teachers in P.E. and sport
- running sport competitions, or increasing pupils' participation in the School Games
- providing places for pupils on after-school sports clubs and holiday clubs

In addition to this, funding should result in an improvement in the following:

- the engagement of all pupils in regular physical activity - children and young people aged 5-18 should engage in at least sixty minutes of physical activity a day, of which thirty minutes should be in school
- the profile of P.E. and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching P.E. and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

**Total Amount of Sports Funding received:** £17670 + £3593 = £21263

<b>Aims of Sport Funding 2020-2021</b>	<b>Cost (£)</b>	<b>Impact</b>

<b>CURRENT EXPENDITURE</b>	<b>£17670</b>	

### Summary

At Leighfield Primary School we continue to recognise the vital importance of high quality Physical Education and we promote active engagement in sporting events, both within school and against other schools. We continue to monitor pupil involvement in lessons and extra-curricular clubs. In addition to this, the increase in our provision of P.E. and sport provision meant that we were awarded the Platinum Kitemark in the Sainsbury's School Games Mark.
