

Welcome to the Leighfield Lions February Newsletter

Welcome to our Leighfield Lions newsletter, I hope you all had a wonderful half term and had a great time. This month seems to have gone quickly and we have been lucky with the weather which has meant a lot of outside play in the balmy evenings. The arts and crafts have again transformed our room into a bright a cheery place.

Forthcoming Events.....

We will continue to create amazing arts and crafts and have introduced some time using the school hall for sports activities.

Activities

This Month has meant we could get out more, due to the warmer weather and all the children have enjoyed playing with the balls and hoops and outdoor toys. We are beginning to make our Easter things and look forward to any Lions who wish to join us through the Easter holidays, dates and costings are in reception.

A Few Pictures.....

Well done to staff and students for helping with our Trompe Loile.

Donations

Many Thanks to the parent who kindly donated some beautiful dressing up clothes for the children, the children have had a lot of fun! Also to the wonderful books. If any parent would like to donate any toys, games or puzzles we would be very grateful.

And finally, please can we ask any parents with outstanding invoices to settle these via ParentPay before the end of term
