## Meet the Staff

**Name:**

**Miss Millington**

**Tell us a little about yourself:**

I have been a teacher for 13 years now and I can't think of anything else that I would rather do. In my spare time, I love going on mini adventures with my friends and during lockdown I have become a bit obsessed with doing Joe Wicks workouts! My three children keep me on my toes at home. They are all very different ages. My daughter (who is at university) is nearly 21 and my two sons are 11 (the football mad one) and 3 (the tik tok dancing one!).

**How long have you worked at Leighfield?**

I've worked at Leighfield for 1 and a half years now and I love it!

**What is your favourite thing about working with children?**

I love getting to know all the children in my class. I love how every day is different and I rarely get through a day without someone in my class making me laugh. When I was in year 2 at school, I thought my teacher, Mrs Smith, was awesome. I don't know why, I just wanted to be like her when I got older. Some people say that these people are the 'magic weavers', the people that inspire us to do well. From that point on, I knew primary school teaching was the job for me.

**Tell us something not many people know about you.**

I'm allergic to kiwi fruit and I can't stand the feel of cotton wool.

**Tell us a joke:**

Did you guys hear the joke about the high wall?  
It's hilarious. I'm still trying to get over it!
