

## Meet the Staff

Name:

Miss Taylor

**Tell us a little about yourself:**

I have been a teacher for 2 and a half years. Before that, I was a teaching assistant for 7 years! I love reading, drawing and being outdoors with my family. I have a daughter who is 1 and a half and two step-daughters who are 14 and 9. I grew up in Wales and still love to visit my family and friends there – it is a beautiful place. I also passionately support Wales rugby team. I have been learning British Sign Language and use it with my daughter at home. I am looking forward to teaching you some signs that we can use in the classroom every day and learning some songs we can sign to.

**How long have you worked at Leighfield?**

I have worked at Leighfield for 2 and a half years, ever since I first became a Teacher.

**What is your favourite thing about working with children?**

My favourite thing about working with children is that every day is different. Being with lots of diverse people who think differently is good fun. I also like that I can be a little bit silly!

**Tell us something not many people know about you.**

I am very competitive and I have had to learn to be a gracious loser over the years – I am still working on it!

**Tell us a joke:**

What do you call a gorilla with bananas in her ears?  
Anything you like! She can't hear you.
