

Meet the Staff

Name:
Mrs Gant

Tell us a little about yourself:

Cooking is one of my very favourite things to do outside of work. I love preparing food for family and friends to share – especially baking which I started doing when I was about ten years old.

How long have you worked at Leighfield?

I have worked at Leighfield for a very long time. I worked as part of the support team for ten years and have been teaching here since I qualified as a teacher in 2005.

What is your favourite thing about working with children?

I love it when a child is unclear about an aspect of their learning and I can help them “get it!” It’s a brilliant feeling.

Tell us something not many people know about you.

My children went to this school and they are now in their thirties. I’ve been on the Governing Body and part of FOLs as has my husband so Leighfield has been part of our family life for over 25 years!

Tell us a joke:

Why did the banana go to the doctor? Because he wasn’t peeling well!
