

## Year 6 Swimming Competency Levels 2018-2019

At Leighfield, children have a 10 week block of swimming at Uppingham School Sports Centre in Years 3-6 in either the Autumn or Spring term.

Swimming and water safety is an extremely important part of the PE curriculum and another way of helping children to be safe around water and lead healthy and active lives.

At Leighfield, we aim to get as many children as possible swimming 25m by the time they leave Year 6.

Since 2017, it has been a requirement for all primary schools to publish Year 6 swimming competency data in the three areas listed in the table below.

Number of children in Year 6 cohort 2018-2019: 33

Children who can swim competently, confidently and proficiently over a distance of at least 25m	85%
Children who can use a range of strokes effectively e.g. front crawl, backstroke and breaststroke	76%
Children who can perform safe self-rescue in different water-based situations.	85%
