

We have produced a [Home Learning Guide for Parents](#) to support you while you are supporting your child's learning at home.

The DFE have brought together these lists of online educational resources to support children's education at home while they may not be attending their normal education setting

<https://www.gov.uk/government/publications/coronavirus-covid-19-online-education-resources/english-resources>

Supporting your child's learning at home

Early Years Foundation

Children are now able to come into school if they choose to do so. Therefore, we are not able to provide the same home learning support as we were previously as our teachers are in school every day. Mrs Donnaloia will send anything that is appropriate on a Monday morning as we do still want to ensure that children at home are learning and accessing quality resources. We also recommend the following resources:

This **website** <https://www.eyfshome.com/> has been developed to support EYFS children learning at home. Click on 'Today's activities' to see some videos and learning ideas.

Phonics

The DFE have created videos to support children to learn phonics at home. Click **here** https://www.youtube.com/channel/UCP_FbjYUP_UtIdV2K_-niWw to view the videos.

Teach your monster to read is great for children. It contains lots of phonics games. <https://www.teachyourmonstertoread.com/>

Reading

We have reading books in our lobby if you want to change your child's books. Please ensure the old book does not go in with the new ones.

You can access e-books that link to the children's book bands on **Oxford Owl** <https://www.oxfordowl.co.uk/>

Maths

As a school, we will continue to pay the subscription for the White Rose Maths home learning sheets to support you at home. These will be uploaded at the start of each week for you to access.

You can watch the videos **here** <https://whiterosemaths.com/homelearning/early-years/> that teaches your child the maths.

Monday Maths

Tuesday Maths

Wednesday Maths

Thursday Maths

Friday Maths

How to contact your teacher:

	You can contact Mrs Donnalioia via e-mail eyfs@dsatleighfield.org
	You can call the school office on 01858 463489

Year One

Children are now able to come into school if they choose to do so. Therefore, we are not able to provide the same home learning support as we were previously as our teachers are in school every day. Mrs Darlington will send anything that is appropriate on a Monday morning as we do still want to ensure that children at home are learning and accessing quality resources. We also recommend the following resources:

Phonics

The DFE have created videos to support children to learn phonics at home. Click **here** https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw to view the videos.

Teach your monster to read is great for children. It contains lots of phonics games.

Friday Maths

The **NCETM** <https://www.ncetm.org.uk/resources/54454> provide short videos for children while they are at home.

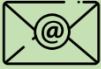

It is important that, within each batch, they are completed in the suggested order.

Most lessons are between 15 to 20 minutes long, each ending with suggested follow-up tasks. All lessons exemplify a teaching for mastery approach to maths.

A new batch of lessons is added each week.

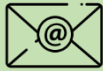

How to contact your teacher:

	You can contact Mrs Darlington via e-mail year1@dsatleighfield.org
	You can call the school office on 01858 463489

Year 2

Miss Millington and Mrs Gant will continue to e-mail the learning home on a Monday morning. There are additional links on this page if necessary.

How to contact your teacher:

You can contact Miss Millington and Mrs Gant via e-mail year2@dsatleighfield.org

You can call the school office on **01858 463489**

Year 3

Mr Walding will continue to e-mail the learning home and upload it to TEAMS on a Monday morning.

How to contact your teacher:

You can contact Mr Walding via e-mail year3@dsatleighfield.org

You can call the school office on **01858 463489**

Year 4

Miss Taylor and Mrs French will continue to e-mail the learning home and upload it to TEAMS on a Monday morning.

How to contact your teacher:

You can contact Miss Taylor and Mrs French via e-mail year4@dsatleighfield.org

You can call the school office on **01858 463489**

Year 5

Mrs Dineen will continue to e-mail the learning home and upload it to TEAMS on Monday morning.

How to contact your teacher:

	You can contact Mrs Dineen via e-mail year1@dsatleighfield.org
	You can call the school office on 01858 463489

Year 6

Children are now able to come into school if they choose to do so. Therefore, we are not able to provide the same home learning support as we were previously as our teachers are in school every day. Mrs Crowle may send anything that is appropriate via e-mail as we do still want to ensure that children at home are learning and accessing quality resources. We also recommend the following resources:

English

Literacy Counts have created a free home learning pack for Year 6 children that you can access [here](#).

Pobble 365 <https://www.pobble365.com/> publishes a new image each day as a basis for creative writing. Story starters, questions and drawing ideas are provided.

Literacy Shed <https://www.literacyshedplus.com/en-gb/browse/free-resources> is a great resource with images and

English Mastery <https://www.englishmastery.org/> has some resource packs that the children have been working on. W/C 8th June, the children will be on Week 6.

Reading

Authorfy <https://authorfy.com/> gives access to masterclasses on texts from a range of authors, including videos from the authors and activities linked to novels.

There are some links for reading at the bottom of this page.

Maths

As a school, we will continue to pay the subscription for the White Rose Maths home learning sheets to support you at home. These will be uploaded at the start of each week for you to access.

You can watch the videos [here](https://whiterosemaths.com/homelearning/early-years/) <https://whiterosemaths.com/homelearning/early-years/> that teaches your child the maths.

Additional Resources for all year groups

Off School <https://offschool.org.uk/>

Off School provides:

- ✓ 100s of videos created by teachers that demonstrate fun, quality activities that can be recreated at home.
- ✓ Teacher-recommended downloadable resources.
- ✓ Link to great websites that support families across lots of topics and themes.

BBC Bitesize <https://www.bbc.co.uk/bitesize/primary>

BBC Bitesize offers additional help for children and parents. New Maths and English lessons are available every day for all ages. These are created with resources from Bitesize, other parts of the BBC and other education providers. The content of these lessons are backed up by new videos, practice tests, educational games and articles. Regular lessons on other core subjects, including science, will also be available.

Oak National Academy <https://www.thenational.academy/online-classroom>

Oak National Academy has been funded by the government to create sequences of online lessons and resources.

Reading

We are encouraging children to read every day and be read to. Mrs Darlington has compiled some recommended new reads below
