Music Intent:

Every child will have access to good quality music teaching both in vocal and instrumental skills (Charanga and Rutland Music) relevant to their year group and building on skills learned in previous year groups. They should be exposed to music from a range of historical periods and genres and have opportunities to listen, analyse, compose and perform on instruments and vocally.

Children’s music learning will be enriched by KS1 and KS2 productions, visiting music performances and workshops from nearby connections with Uppingham School’s teachers and music scholars, as well as extra-curricular clubs such as Junior and Senior Choir.
