

## A big picture of the Curriculum

What is our <u>intention</u> for the Curriculum?			
<b>Mission</b>	<p><b>“Memory is the residue of thought.”</b> Every child achieves their full potential and accesses an ambitious and coherent Curriculum that leads to deep learning and an understanding of the World.</p>		
<b>Aims</b>	Successful Learners	Confident Individuals	Responsible Citizens
<b>Values</b>	Resilience, Pride and Respect		
<b>Curriculum</b>	<p><u>Core knowledge and understanding</u> e.g excellent general, subject, social and cultural knowledge</p>	<p><u>Skills and competences</u> Essential skills: literacy, numeracy, ICT, personal, social, emotional, learning and thinking skills, physical, moral,</p>	<p><u>Attitudes, attributes and dispositions</u> Independence Concentration Courage Love of learning Enthusiasm Optimism Tolerance Teamwork Kindness</p>

### Geography Intent:

Every child will develop their curiosity and fascination with the world and the people in it. They will be taught knowledge and skills to enable them to answer questions about the natural and human aspects of the world. Sustainability and the environment will be at the core of the geography curriculum to ensure that all children leave Leighfield being responsible citizens.

Children’s geography learning will be enriched by having a deep understanding of our local environment (trips, visits, walks). They will also have the opportunity to support the school sustainably through the Green-Team and Eco Club.
