History Intent:

Every child will gain coherent knowledge and understanding of Britain’s and the wider worlds past. The History curriculum will empower the children to develop their curiosity so that they become confident individuals who are aware of where they have come from. History ignites children’s curiosity to ask questions and they will be encouraged throughout their journey at Leighfield to develop a chronological understanding of past events.

Children’s History learning will be enriched by yearly visits to historical locations or visits from specialised teams. Each year group will have at least one day dedicated during a History heavy topic to exploring that period of History on a deeper level.
